## Women's Team Head Coach

The Wellesley College Rugby team is looking for a head coach. The WCRFC is a Division III, Developmental tier team competing in NEWCRC. Wellesley College is a historically women's college located outside of Boston in Wellesley, MA. Due to COVID-19, we were unable to compete last year. In light of this, we anticipate Fall 2021 to be a heavy recruitment season. We are a passionate and diverse team with over 20 students currently on roster, including trans and nonbinary players. We are looking for a coach who can not only train new players, but also further existing players' skills. Our goal is to improve our skills as a team while focusing on maintaining a fun and low-stress environment.

We practice Monday, Wednesday, and Friday from 5pm to 7pm and our games are typically scheduled on Saturday mornings lasting around 5 hours, but occasionally can be on Sundays. The tournament schedule for Fall 2021 is available upon request but is subject to changes due to COVID.

### Requirements:

- USA Rugby coach certified (or willingness to attend clinic)
- First Aid/CPR certification
- Ability to plan and attend three practices a week and Saturday matches
- Communication with team president and captains throughout season
- Ability to provide instruction and encouragement to players of all skill levels and positions
- Ability to train fundamentals to new rugby players
- Approve player engagement and participation for Physical Education credits

Club Sports are under the supervision of the Director of Recreation in the department of Physical Education, Recreation and Athletics. Club Sport Coaches are part time faculty, non-benefit eligible employees. The position approval is contingent on approval of the Director of Recreation and completion of a CORI/SORI background and driver's licenses screenings. The position compensation is \$4450.

All interested candidates please email [erogers4@wellesley.edu](mailto:erogers4@wellesley.edu) with your resume, certifications, rugby and coaching experience, and contact information.
